Cheryl Wicklund wants the town to put a notice in the local papers annually for spring cleanup in April on Luck town roads right-of-way. Curt Libby 2nd it. Motion carried.

The 2023 annual financial report was presented.

Question regarding why so we have so much roads ground when we don't have enough to blacktop those roads. We need about \$18,000-\$20,000 for gravel to make a base for a mile of roads before blacktop. About \$150,000 a mile for pavement for 2" of blacktop. Do we want to drive on deteriorating blacktop or gravel roads?? Our goal is to do 1-5/8 mile this year. Would like to see an action plan on what to do.

Discussed raising the levy by \$500,000 to catch up on blacktopping.

Cheryl Wicklund made a motion to adjourn. 2nd by Curt Libby. Motion carried.
